Now Seeking Members for the Eighth Representative Assembly for Foreign Residents!

Kawasaki City set up the Representative Assembly for Foreign Residents in order to encourage the involvement of foreign residents in municipal government and make local societies where both Japanese and non-Japanese understand each other better, living together in harmony. This assembly was established in 1996 as the very first of its kind in the whole of Japan. At meetings, members of the public who have joined the representative assembly discuss their concerns and report what they discussed to the Mayor each year.

A handbook for applicants is available at each ward office, library, and citizen's hall. Also you can download it via the homepage of Kawasaki City. You can apply by January 15th, 2010.
