## Information Session: Enrolling a Foreign Child in Elementary School

“What’s elementary school like in Japan?” “I don’t speak Japanese, so I won’t understand the orientation session...” etc. This information session addresses concerns like these held by foreign children and their parents or guardians about entering elementary school. Through a talk by a former ES principal, video presentation and a multilingual guidebook (includes also Japanese text with *furigana*), learn about elementary school life, what supplies the child will need on the first day, etc.

See the homepage of the Kawasaki International Association or a flyer for details.
