Information Session for Foreign Residents: How to Apply for Public Housing

free

reservation required

Persons who wish to apply for public housing, but who are not sure how, can attend this session and get help filling out their forms.

(English, Chinese, Korean, Portuguese, Spanish, Tagalog, Thai, Nepali, Vietnamese and Indonesian interpretation will be available.)

【When:】 Saturday, June 8th, 10am to noon

【Where:】 Kawasaki International Center 2nd floor Activity Room

【Application Period:】 Apply by phone or in person no later than Wednesday, June 5th, 16:30.

【Public housing is:】 constructed jointly by city and national governments (but owned by the city) for low-income people with housing problems to rent at reasonable rates. Unlike on the private market, there's an application period, income criteria and other rules. There's no key money or renewal fee, but a tenant's income is checked every year to determine their rental rate.

【Application criteria:】 (1) legally an adult in Japan
(2) resident of Kawasaki City for at least a year
or have worked at the same job in Kawasaki for at least a year
(3) monthly income not above a certain level
(4) having serious problems related to housing etc.

Where to see cherry -blossoms in Kawasaki City

In Kawasaki City there are many parks and green spaces that have a lot to offer. Here we introduce two that are splendid places for cherry-blossom viewing. By all means, check them out!

Yumemigasaki Park (Saiwai ward: use JR Shin-Kawasaki or Kashimada

Station): Cherry trees are planted in various places around the park, including inside the zoo so that you can enjoy the animals along with the cherry blossoms. Around 400 trees total. Types: Yoshino cherry, Yamazakura, and others.

Sumiyoshi zakura (Naka ward: use Tokyu Toyoko or Meguro lines Motosumiyoshi

Station): A row of cherry trees blossoming in full glory seems to be pushing out over the river. Gaily-blossoming Yoshino cherry trees line the Shibukawa River for about 2 kilometers. You can also enjoy the cherry blossoms at nearby Nakahara Heiwa Park. Around 250 Yoshino cherry trees in total.
