

A Kawasaki Ward Map for Families

子育てに必要な施設が一目でわかる「子育て散策マップ」の外国版について

Kawasaki Ward has prepared foreign language versions of a special map of Kawasaki Ward which was created especially for families with children. This map shows you all the facilities and institutions in the ward that people bringing up children might need.

The title of the English version of this map is “Kawasaki Ward: An Area Guide For Family.” And it shows you at a glance all the Health and Welfare Centers, hospitals, nursery schools and other facilities necessary for raising children within Kawasaki Ward.

The map is available in English, Chinese, Spanish, Portuguese and Korean language versions.

The three major districts of Kawasaki Ward (Tajima District, Daishi District, and the central district) are rendered in different colors to make it easier to find the facilities you are looking for.

You can get a copy of the map from the Kawasaki Ward Health and Welfare Center, Tajima Regional Health and Welfare Station, Daishi Regional Health and Welfare Station, and some other places. If you have any questions, you can call the Kawasaki Ward Health and Welfare Center (KAWASAKI-KU HOKEN FUKUSHI SENTAA); their number is 0 4 4 - 2 0 1 - 3 2 5 0.

居住支援制度の拡充について

Starting in July the City of Kawasaki expanded the range of people the housing support system is aimed at helping. The system is meant to help people such as the elderly and foreigners who are having problems finding a housing guarantor when they try to rent an apartment. Under the system, qualified applicants are introduced to a guarantor company which has an agreement with the City of Kawasaki, and this helps the people obtain privately-owned rental housing.

If you'd like to learn more about the Housing Support System, there's a pamphlet about it which you can get from ward offices, civic halls, libraries and similar places.

If you have any questions you can call Kawasaki City Urban Improvement Bureau, Housing Improvement Section (KAWASAKI-SHI MACHIZUKURI-KYOKU JYUUTAKU SEIBI-KA). Their phone number is 0 4 4 - 2 0 0 - 2 9 9 7.
